16-17: online Programme & Chat with jobseekers | 16-18: scheduled Interviews

Timetable: from **10:00 am** to **5:00 pm** (GMT, Lisbon / Oporto / Vila Real time zone)
from **11:00 am** to **6:00 pm** (CET, Madrid / Vigo time zone)

WHERE?

Anywhere from Europe, @ www.europeanjobdays.eu/findeu2018!

The event takes place online only. You can join without having to leave your office.

WHO?

Focused on **Portuguese** and **Spanish graduate professionals**, this event is also open to qualified jobseekers from **all over Europe**.

FINDE.U

Universidade de Vigo

utad

FINDE.U is a University partnership gathering more than 68,000 students and nearly 125,000 graduates / *alumni*, covering virtually all graduate occupational areas, from Engineering & Technology to Management and Law, from Medicine to Arts.

The event is also being promoted, both in Portugal and in Spain, in the national University & Polytechnic networks, among the graduate jobseekers registered in the public employment services, with graduate professional associations / orders and other relevant stakeholders - as well as on EURES social media all over Europe.

We expect **ca. 3,500 online participants** joining the event. Many of them with solid language skills, some with international experience (e.g. Erasmus, Voluntary Service) and willing to move abroad.

HOW TO PARTICIPATE?

You can:

- **publish your jobs, traineeships / graduate programmes or research opportunities**, under your company profile, and have them promoted all over Europe;
- add your pre-recorded **video presentation** to the Programme, aiming at promoting your company and your recruitment needs Europe-wide; interaction with potential candidates will be available via open moderated chat;
- explore spontaneous contacts through one-to-one **live chat** with online jobseekers;
- **schedule and conduct online recruitment interviews** (e.g. via Skype) with pre-selected applicants, during the 3 days of event.

You can choose your **level of participation** according to your needs and possibilities. Our full technical support and assistance with matching will be available **before, during** and **after** the event.
